Policy # 5.28

THE CALGARY JEWISH ACADEMY BINGO POLICY

ADOPTED: JUNE 4, 1990 Amended: March 14, 2011

INTRODUCTION

To keep tuitions as low as possible, The Calgary Jewish Academy participates in several different fundraising initiatives. Securing agreements with Bingo Halls to provide workers in exchange for a share of the profits is one of these initiatives.

REQUIREMENTS

Every family is assigned up to seven (7) bingos over the course of a year. The Calgary Jewish Academy requires each family to:

- a) Work their assigned bingos (*or find suitable substitute to work on their behalf*); OR
- b) Opt-Out of working bingos by paying a bingo opt-out fee.

MISSING A BINGO

If families are unable to attend an assigned Bingo event, it is their responsibility to make arrangements for a suitable substitute to work on their behalf. The school Bingo Coordinator should be informed any time a substitute is working on a family's behalf.

When a family misses an assigned bingo:

- 1) If it is the first bingo they have missed, they may choose to:
 - a. Pay the "missed bingo" fee, OR
 - b. Agree to work two new bingo dates, in lieu of the one missed
- 2) If it is the second bingo a family has missed they will automatically be charged the "missed bingo" fee.
- 3) If it is the third bingo a family has missed, they will be charged the full bingo opt-out fee.

Bingos and/or related bingo financial obligations must be met by July 31st of any year for the registration of that families' children to be accepted for the school year commencing September following.

FAMILIES WITH 3 OR MORE CHILDREN REGISTERED AT THE CJA

Families paying full tuition, who have 3 or more children registered at the CJA, will be given the Bingo Opt-Out free of charge during the calendar year in which their children are registered. Selecting this option must be indicated at the time of registration.
