

VOTING MEMBER DESIGNATION

Please return the attached form with your registration application

The voting requirements for the CJA Annual Meetings and Special Meetings were amended pursuant to the CJA Bylaw dated June 13, 2012. In short, there will be one vote per family. The Bylaw states:

Voting Member

Means the designated parent or guardian of one family, as defined below, which has one or more Students registered and attending the Academy.

For the purposes hereof the following shall apply:

- (i) A family, for the purposes of these Bylaws, shall mean collectively one or more Students registered and attending the Academy, having, or each of whom have the same parent(s) and /or legal guardian(s);
- (ii) Notwithstanding that a Student may have more than two parents or two legal guardians, the Academy will only recognize one Voting Member per family. It shall be the sole responsibility of the parents or guardians of the Student(s) to annually determine and designate, in writing, no later than 30 days prior to the annual general meeting, which parent or legal guardian shall be the Voting Member and to notify the Academy accordingly of the identity of the designated Voting Member or any change in the designated Voting Member. The Academy will neither be responsible for determining nor designating the Voting Member.
- (iii) In the event that the parents or legal guardians of a Student(s) are unable or unwilling to designate the Voting Member for the family, or fail to appropriately notify the Academy of the designated Voting Member, or attempt to designate more than one Voting Member, the Academy will not acknowledge any Voting Member or any votes cast on behalf of such family;
- (iv) Each family is entitled to one vote.

A Voting Member shall cease to be a Voting Member when

- (a) they are no longer designated by the family as a Voting Member in accordance with these Bylaws as required above; or
- (b) the Student(s), in respect of such Voting Member, no longer meets the definition of Student; or
- (c) in the case of the Annual General Meeting, the Voting Member does not have a Student registered at the Academy for the following academic year.
